

Beckenham Drive Proposed Construction

Realtor

Charleston, SC

This gorgeous property is exclusively listed by Benjy Harfield of Carolina One Realty. The lot features un-obstructed views of surrounding creeks and marshes and provides easy access to neighboring schools and shopping. Through their Concept360 program, Cook Bonner Construction has developed this Proposed Construction offering that can easily be tailored to any client's taste. Flatfish Island Designs has created this charming design for an idea house. Want more options or something totally different? Don't hesitate to ask about design alternatives for this property!

Our philosophy is simple; couple exceptional architecture with magnificent properties, and the right client will find us. We make this easy, and our reputation for first-class quality is unsurpassable.

This is Flatfish Island Designs: purposeful, livable, accessible home plans to meet your needs, making your dream home become a reality.
